EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO INCREASE THE ACUTE PSYCHIATRIC INPATIENT DAY RATE  
FOR FEE-FOR-SERVICES MEDI-CAL PSYCHIATRIC INPATIENT HOSPITALS FOR  
FISCAL YEARS 2008-09 AND 2009-10  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Approve Amendments to increase the acute psychiatric inpatient day rate by ten percent for Fee-For-Services Medi-Cal psychiatric inpatient hospitals.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Approve and authorize the Director of Mental Health, or his designee, to prepare and execute Amendments, substantially similar in format to Attachment I, to increase the acute psychiatric inpatient day rate (hereafter referred to as acute day rate) by ten percent for an estimated amount of \$4,255,000 for the contracted Fee-For-Services (FFS) Medi-Cal psychiatric inpatient hospitals, effective upon Board approval for Fiscal Years (FYs) 2008-09 and 2009-10. The Amendments are funded by sales tax realignment and the Federal Financial Participation (FFP) Medi-Cal revenue.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Board approval is requested to amend the existing FFS Medi-Cal psychiatric inpatient hospital agreements to increase the acute day rate by ten percent.

Contract hospitals have requested a rate increase to keep up with the rising cost of hospital care. The rate increase will allow contract hospitals to continue providing quality service to the Los Angeles County Medi-Cal population. Additionally, some of the contracted hospitals have expressed concern about remaining solvent and keeping their psychiatric units open should the acute day rate not be increased. Closing acute psychiatric inpatient units at contracted hospitals will limit access to vital psychiatric inpatient services.

Furthermore, approval of the rate increase complies with the State mandate that Los Angeles County Department of Mental Health (DMH) have available acute psychiatric inpatient hospital beds and services for Los Angeles County Medi-Cal beneficiaries.

#### **Implementation of Strategic Plan Goals**

The recommended Board action is consistent with the County Strategic Plan Goal 7, "Health and Mental Health."

#### **FISCAL IMPACT/FINANCING**

There is no impact on net County cost.

The total estimated cost for this rate increase is \$4,255,000, which will be funded by sales tax realignment and the FFP Medi-Cal revenue, which is included in DMH's FY 2008-09 Supplemental Budget. Funding for FY 2009-10 will be included in the annual budget process.

The FFS Medi-Cal acute day rates for FYs 2008-09 and 2009-10 are proposed as follows and as shown on Attachment II:

- Acute rate of \$627 for five contracted freestanding hospitals treating Medi-Cal beneficiaries who are 21 years old and under and 65 years old and over.
- Acute rate of \$523 for 19 contracted FFS Medi-Cal general acute hospital beds.
- Acute rates of \$572 and \$523 for Cedars-Sinai Medical Center.
- Acute rate for College Hospital Costa Mesa not applicable due to Orange County location.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The proposed action has been reviewed and approved by the County Counsel and Chief Executive Office.

The Honorable Board of Supervisors  
November 5, 2008  
Page 3

For FYs 2008-09 and 2009-10, DMH will contract with potentially 28 psychiatric inpatient hospitals (negotiations are ongoing with three hospitals) for the provisions of State mandated acute psychiatric inpatient hospital services to Los Angeles County Medi-Cal beneficiaries.

The inpatient FFS Medi-Cal system exists under medical necessity criteria established in Title 9 California Code of Regulations (CCR), Chapter 11, Section 1820.205. It provides facility and practitioner reimbursement for inpatient services to Medi-Cal beneficiaries who are a danger to self, others, or unable to provide for their own food, clothing, or shelter as a result of mental illness.

### **IMPACT ON CURRENT SERVICES**

Significant reduction of acute psychiatric inpatient hospital services may result by not providing adequate reimbursement to contracted FFS Medi-Cal psychiatric hospitals within Los Angeles County.

### **CONCLUSION**

DMH will need one copy of the adopted Board action. It is requested that the Executive Officer, Board of Supervisors, notify DMH's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.  
Director of Mental Health
